Blue Water Area Transit names Dave McElroy new General Manager

The Blue Water Area Transportation Commission's Board of Commissioners selected Dave McElroy as its new general manager at its regular meeting February 24. McElroy currently serves as the Commission's Assistant General Manager and Finance Director.

McElroy has been with the Commission for more than 12 years and played an integral part in the successful operations and major capital projects completed over that time.

A Port Huron native, McElroy is an active member of the community including being past Board Chair of the YMCA of the Blue Water Area and as a current member of the Regional Trails Board and the YMCA Foundation.

Prior to joining the Commission, he worked as a principal in his family's Port Huron business, Port Huron Paint Company as well as working for the accounting firm Plante Moran.

McElroy graduated from Michigan State University as a Board of Trustees' Award recipient with a bachelor's degree in accounting.

“I’m honored to be chosen by the Board of Commissioners as the new General Manager of BWATC. I plan to continue the tradition of providing St. Clair County with the exceptional transit service as established by both my distinguished predecessor, Jim Wilson, and the professional and dedicated staff of BWATC,” McElroy said.

McElroy currently resides in Port Huron with his wife Brooke and their two children. He becomes General Manager of the Transit Commission effective March 1, 2021.
